

MATHEMATICS ACTIVITY 1

What maths was used in a building?

Now look carefully and record in **pictures** or **words** or **numbers**

Number

Record the things you can count in *red*.

Symmetry

Record the things that are symmetrical in *blue*.

Angles

Find as many right angles as you can and record them in *green*.

Patterns

Find repeating patterns and draw them in *black*.

Shapes

Find as many shapes as you can and record them in *orange*.

Compare your findings with another group
