

Time detectives

Your Task:

Answer the questions in the spaces provided. Don't forget to give your reasons!
Some clues might be found in the house, and some in the garden.

How many people lived in this house?

What clues to their names can you find?

What did they drink?

How educated were they?

Is this a house where children lived?

How was the house lit?

How was the house heated?

How did they cook?

How warm do you think they were?

Would they have had many clothes?

What did they do for a job?

What did they do when they weren't doing their job?

Were they well off?

What did they eat?

What food did they grow themselves?

What food would they have had to buy?

What flowers grew in the garden?

Why were there some unusual plants?

If they were there, what would you like to ask them?
