YOUR SPECIAL DAY

**WEALD &
DOWNLAND**
LIVING MUSEUM

The Weald & Downland Living Museum – a hidden gem in the South East, quintessentially British in a picture perfect setting. This 40 acre fully licenced site is the perfect setting in which to celebrate your love. Here, you and your guests can bask in an atmosphere of quiet tranquility as you enjoy the property's picturesque buildings and tranquil historic gardens. The story of community life in the South Downs goes back more than 1,000 years, your next chapters are still waiting to be written. Our experienced and friendly events team would be delighted to help you design an event for the ages.

Choosing the Weald & Downland Living Museum as your wedding venue will give you the perfect rural backdrop, unlike anywhere else. With limited dates available each year, you will also be assured a day that few couples get to share.

THE DOWNLAND GRIDSHELL

Completed in 2002, the Downland Gridshell was the first building of its kind to be built in the UK. Built from solid oak laths, bent into a double curvature, it takes its name from the shell-like shape that results. Today, the Downland Gridshell hosts ceremonies and receptions for up to 180 people.

With no supporting vertical beams, the result is architecturally awe-inspiring; unique, unusual and dramatic. As a wedding venue it offers a backdrop that can't be matched and an uninterrupted space surrounded by peaceful and beautiful woodland.

For most of the year, the Gridshell is the Museum's workshop where historic time-framed buildings are repaired and conserved. Each year we release a limited number of dates for couples who want to use this exceptional space to create their perfect day.

FACILITIES INCLUDE

- Exclusive use of Gridshell building Friday afternoon- Sunday morning
- Large catering space with basic functional kitchen
- Access to the entire museum for you and your guests on the day
- 1 year joint adult membership activated the day after your wedding to celebrate your 1 year anniversary
- A dedicated Wedding Coordinator as your point of contact

CRAWLEY HALL

Crawley Hall is situated in the heart of the venue's medieval market square. Surrounded by historic buildings and cobbled paths, this charming timber-framed barn is an ideal choice for more intimate celebrations. Crawley Hall is licensed for civil ceremonies, and it can host parties of up to 50 guests.

Crawley Hall is the perfect setting for an intimate ceremony with your nearest and dearest. After the Civil Ceremony, enjoy the museum grounds and facilities with your guests, followed by a rustic picnic buffet next to the tranquil millpond. This venue allows for a relaxed smaller wedding for the day before proceeding onto an evening reception venue in the local area.
