Our courses team will also be giving out information about The Heritage Crafts Association who are the national charity set up to celebrate, support and safeguard traditional craft skills.

#### **Heritage Crafts Association - Supporting Craft Heritage**

"We are the national charity set up to celebrate, support and safeguard traditional craft skills, and to facilitate a national conversation about their importance to everyone now and in the future.

We are passionate about ensuring that everyone has access to craft skills that have developed over generations, and which we believe will be vital in helping us tackle the challenges of the future – and to be able to enjoy making as part of a fulfilled life."
